10 JAMES EDWARD CURTIS,

11 Plaintiff,

12 v.

13 TERRY J. BENDA, et al.,

Defendants.

NO. C08-5109 FDB/KLS

ORDER GRANTING DEFENDANTS'  
MOTION TO AMEND ANSWER

14 Before the court is Defendants' motion to amend its answer to add the affirmative  
15 defense of absolute witness immunity. Dkt. 81. After filing their motion to amend,  
16 Defendants filed a motion for summary judgment based on absolute and qualified immunity.  
17 Dkt. 82. Plaintiff filed a motion for an extension of time to file his response to the summary  
18 judgment motion. Dkt. 87. By separate order the court has granted Plaintiff's motion for an  
19 extension of time to respond to Defendants' summary judgment motion.

20 **BACKGROUND**

21 On April 20, 2009, the court granted Plaintiff's motion to amend his complaint. Dkt.  
22 43. In his Amended Complaint filed on April 20, 2009, Plaintiff alleges that Defendants  
23 Benda and Curtis violated his Fourteenth Amendment right to due process when they  
24 provided false and doctored evidence to the Clallam County authorities which resulted in  
25 Plaintiff being charged with a racially motivated hate crime. Dkt. 44. Plaintiff, a white male,  
26

1 admits that he and another inmate, assaulted an African-American inmate. *Id.*, pp. 7-8.  
2 However, Plaintiff claims that his involvement in the assault was against his will and he  
3 claims that Defendants doctored evidence, including photographs, to make it appear that as  
4 part of the assault, the letters “AF” (“Aryan Family”) were carved into the victim’s back. *Id.*  
5 at 8, 16. As a result, Plaintiff was charged with a racially-motivated and gang-related assault.  
6 *Id.*, pp. 94-95. The assault charge (with the racially-motivated enhancement) against Plaintiff  
7 was later dismissed. Dkt. 44, p. 48.

8 Defendants now move to amend the answer to the amended complaint in order to add  
9 the affirmative defense of absolute witness immunity. Dkt. 81. Plaintiff objects to the  
10 amendment on the grounds of futility. Dkt. 84.

## 11 DISCUSSION

### 12 A. Standards of Review

13 Federal Rule of Civil Procedure 15(a) provides that leave of the court allowing a party  
14 to amend its pleading “shall be freely given when justice so requires.” Leave to amend lies  
15 within the sound discretion of the trial court, which discretion “must be guided by the  
16 underlying purpose of Rule 15-to facilitate decisions on the merits rather than on the  
17 pleadings or technicalities.” *United States v. Webb*, 655 F.2d 977, 979 (9th Cir.1981). Thus,  
18 Rule 15’s policy of favoring amendments to pleadings should be applied with “extreme  
19 liberality.” *Id.*; see also *DCD Programs, Ltd. v. Leighton*, 833 F.2d 183, 186 (9th Cir.1987).

20 Four factors are relevant to whether a motion for leave to amend should be denied:  
21 undue delay, bad faith or dilatory motive, futility of amendment, and prejudice to the  
22 opposing party. See *Foman v. Davis*, 371 U.S. 178, 182, 83 S.Ct. 227, 9 L.Ed.2d 222 (1962).  
23 However, these factors are not of equal weight; specifically, delay alone is insufficient ground  
24 for denying leave to amend. See *Webb*, 655 F.2d at 980. Futility of amendment, by contrast,  
25 can alone justify the denial of a motion for leave to amend. See *Bonin v. Calderon*, 59 F.3d  
26

1 815, 845 (9th Cir.1995). A proposed amendment is futile “if no set of facts can be proved  
2 under the amendment to the pleadings that would constitute a valid and sufficient claim or  
3 defense.” *Miller v. Rykoff-Sexton, Inc.*, 845 F.2d 209, 214 (9th Cir.1988). In other words, if  
4 the proposed amended complaint cannot withstand a motion to dismiss, it should be denied as  
5 futile. See *id.* (citing 3 J. Moore, Moore's Federal Practice § 15.08[4] (2d ed.1974)).

6 **B. Defendants’ Motion to Amend**

7 Defendants argue that they are entitled to add the defense of absolute witness  
8 immunity because Plaintiff will not be prejudiced by the amendment, the defense does not  
9 raise issues of fact, and there is no need for additional discovery. Dkt. 86, p. 2.

10 There is no evidence that Plaintiff will be prejudiced by the timing of the proposed  
11 amendment as Defendants were granted the ability to file a motion for summary judgment on  
12 immunity grounds on September 9, 2009, so that questions of immunity may be resolved in  
13 this case at the earliest possible stage. Dkt. 74. In addition, Plaintiff will have a full  
14 opportunity to respond to the assertions of immunity through the standard briefing timeline.<sup>1</sup>

15 Therefore, Defendant's Motion to Amend its Answer (Dkt. 81) is **GRANTED**.

16  
17 DATED this 23rd day of November, 2009.

21 Karen L. Strombom  
22 United States Magistrate Judge  
23  
24

---

25 <sup>1</sup>As noted above, Plaintiff requested and has been granted a sixty day extension of time within which to  
26 respond to Defendants’ motion for summary judgment.
